OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

New Delhi, the 4th March 1942.

No. 44-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

Bengal.

Radha Prosad Pandey, Constable No. 1493, of the 24-Parganas District.—On the night of the 20th November 1941 Constable Radha Prosad Pandey, while on patrol duty with a Head Constable, heard sounds of gun-fire and cries of alarm in the distance. He and the Head Constable ran to the place whence these sounds came, and found that a dacoity was in progress in a house there, the inhabitants of which were putting up a spirited resistance. On their arrival the dacoits fled, and although none of the inhabitants came to their assistance, these two Police officers gave chase, despite the fact that they had reason to believe that the dacoits were armed with guns. Constable Pandey succeeded in overtaking and pulling down one of the dacoits, who seriously wounded him by stabbing him in the thigh with a dagger. Despite this injury the Constable clung on to his adversary until the Head Constable arrived and felled the latter with a lathi. Constable Pandey showed great promptitude and initiative and his conduct was of a most gallant character.

This award is made for gallantry under regulation (*d*) (*i*) of the regulations governing the grant of the Indian Police Medal and consequently carries with it the allowance admissible to officers of and below the rank of Inspector of Police.

PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly, on the 14th February, 1942:—

L. A. BILL No. 11 OF 1942.

A Bill to limit rates of interest and for that purpose further to amend the Usurious Loans Act, 1918.

WHEREAS it is expedient to limit the rates of interest and for that purpose further to amend the Usurious Loans Act, 1918; It is hereby enacted as follows:— X of 1918.

Short title.

1. This Act may be called the Usurious Loans (Amendment) Act, 19 .

Amendment of section 3, Act X of 1918.

2. In section 3 of the Usurious Loans Act, 1918 X of 1918. (hereinafter referred to as the said Act),—

(*1*) in sub-section (*1*),—

(*a*) in clause (*a*), for the word "and" occurring at the end the word "or" shall be substituted;

(*b*) for the words "may exercise all or any of the following powers" the words "shall exercise all the following powers or all such of them as may not be inappropriate to the case" shall be substituted; and

(*c*) in the proviso,—

(*i*) the brackets and figure "(*i*)" occurring in clause (*i*) shall be omitted; and

(*ii*) clause (*ii*) shall be omitted;

(*2*) in sub-section (*2*),—

(*a*) for clause (*a*) the following shall be substituted, namely:—

"(*a*) In this section, 'excessive' means—

(*i*) in excess of interest calculated at the rate of six per cent. per annum with annual rests or

(*ii*) if the Reserve Bank of India's rate at the date of the loan exceeds three per cent. per annum, in excess of interest calculated at three per cent. above such Reserve Bank rate with annual rests:

Provided that if the Court considers that having regard to the risk incurred as it appeared, or must be taken to have appeared to the creditor at the date of the loan a lower rate of interest was reasonable, all interest in excess of such rate shall be deemed 'excessive' "; and

(*b*) the *Explanation* shall be omitted; and

(*3*) to sub-section (*3*) the following shall be added at the end, namely:—

"or if such suit is instituted by a debtor for any of the reliefs specified in sub-section (*1*) of section 3".

Amendment of section 4, Act X of 1918.

3. In section 4 of the said Act, for the words "may exercise" the words "shall exercise" shall be substituted.

Insertion of new section 5 in Act X of 1918.

4. After section 4 of the said Act, the following section shall be added, namely:—

Punishment for evasion of Act relating to maximum rates of interest.

"5. Any person who evades or attempts to evade the provisions of this Act prescribing the maximum rate of interest by actually lending a smaller sum than that shown in the agreement or instrument executed by the debtor or in any other manner whatsoever, shall be punishable with fine not exceeding the sum of (*a*) one thousand rupees and (*b*) twice the amount which has been paid to him in consequence of such evasion or would have been paid to him if the attempted evasion had been successfully carried out."

STATEMENT OF OBJECTS AND REASONS.

It is an admitted fact that the high rate of interest forms a heavy burden and is one of the chief causes of agricultural indebtedness. It is also well-known that low rates of interest prevailing in the cities have little effect on the usurious rates prevailing in the rural areas. The object of the Bill is to limit the rate of interest and thus relieve the masses from the exploitation and extortion of moneylenders. The simplest method of doing this is to amend the Usurious Loans Act, 1918. The measure has been adopted in certain Provinces but in a matter like this uniformity is greatly needed.

MD. RAFI,

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly, on the 16th February, 1942:—

L. A. BILL No. 13 OF 1942.

A Bill to provide for the extension of the time limited by or under the Indian Patents and Designs Act, 1911, for the doing of acts thereunder.

WHEREAS it is expedient to provide for the extension of the time limited by or under the Indian Patents and Designs Act, 1911, for the doing of acts thereunder; II of 1911.

It is hereby enacted as follows:—

Short title, extent and duration.

1. (*1*) This Act may be called the Indian Patents and Designs (Extension of Time) Act, 1942.

(*2*) It extends to the whole of British India.

(*3*) It shall be in force until the termination of the present hostilities and for one year thereafter.

Power to extend time limits having regard to war circumstances.

2. (*1*) The Controller of Patents and Designs appointed under the Indian Patents and Designs Act, 1911, may, subject to such conditions, if any, as he thinks fit to impose, extend the time limited by or under that Act for doing any act, where he is satisfied— II of 1911.

(*a*) that the doing of the act within the time so limited was prevented by a person's being on active service or by any other circumstances arising from the existence of the present hostilities which, in the opinion of the Controller, justify an extension of the time so limited, or

(*b*) that, by reason of circumstances arising from the existence of the present hostilities, the doing of the act within the time so limited would have been or would be injurious to the rights or interests of the person by or on whose behalf the act is or was to be done or to the public interest.

(*2*) An extension under this section of the time for doing any act—

(*a*) may be for any period that the Controller thinks fit, notwithstanding that under the Indian Patents and Designs Act, 1911, power is conferred to extend the time for doing that act for a specified period only; and II of 1911.

(*b*) may be granted, notwithstanding that that time expired before any application or request for extension was made, or that, by reason of that act not having been done within that time, the relevant application, patent, registration or proceeding has ceased or expired, or become void or invalid, or been treated as abandoned, or been refused.

STATEMENT OF OBJECTS AND REASONS.

It has been demonstrated that applicants under the Indian Patents and Designs Act, 1911, have been prevented from completing the proceedings instituted by them under certain sections, *e.g.*, section 14(*2*), section 78A(*1*), etc., of the Act within the time-limits prescribed, on account of their participation in the war or on account of conditions arising out of the war. The proceedings have thereupon been deemed to have been 'refused' or 'abandoned'. The object of the present Bill is to confer powers on the Controller of Patents and Designs to extend the time-limits in such cases so as to enable the applicants to revive the proceedings originally instituted by them if they so desire.

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said town, for a period of three months:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the Municipality;

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(*2*) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

17. 18. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such article to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the Health Officer or a Sanitary Inspector, and without taking proper precautions against spreading the said disease.

Water-supply.

20. (*1*) When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of watchman to prevent access to the well, tank, pool or other source of water-supply.

21. When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or source of water-supply is contaminated he may disinfect it or order its owner or occupier to disinfect it with such disinfectants as he may specify in such quantities and at such times as he may think fit.

22. The Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

28. The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The Health Officer or a Sanitary Inspector may (1) prohibit the committal or continuance of any nuisance, or (2) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the municipality to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and

may forbid the holding of any fair, *mela* or other gathering to which people from surrounding places commonly or periodically resort.

29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

32. No person shall, without the written permission of the Health Officer or a Sanitary Inspector dispose of any corpse except by burning or burial.

33. The Health Officer or a Sanitary Inspector may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

34. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes, and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

35. The Health Officer or a Sanitary Inspector may direct that no person shall bury or cause to be buried any corpse which, in the opinion of the Health Officer, is likely to spread cholera, in a grave, not constructed of masonry and less than six feet deep.

36. The Health Officer or a Sanitary Inspector may order that no *dome* or other servant of the municipality employed for the disposal of corpses shall withdraw from his duties without the permission of the Health Officer or a Sanitary Inspector unless such *dome* or other servant of the municipality has given notice in writing not less than one month previously of his intention so to withdraw.

37. The Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40. The Health Officer or a Sanitary Inspector may, with such assistants (if any) as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or building used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

41. The crew of any inland steam vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

42. All inoculations under these regulations shall be performed gratuitously.

43. (*i*) Orders issued by the Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 11 has been served upon him, give to the nearest Sanitary Inspector or to his office, immediate notice of any disobedience of the order by the patient.

3. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

No. 370L.—3rd April 1942.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL LOCAL SELF-GOVERNMENT ASSOCIATIONS (RECOGNITION) AMENDMENT BILL, 1942.

to amend the Bengal Local Self-Government Associations (Recognition) Act, 1936.

WHEREAS it is expedient to amend the Bengal Local Self-Government Associations (Recognition) Act, 1936, for the purpose and in the manner hereinafter appearing ; Ben. Act XVI of 1936.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Local Self-Government Associations (Recognition) Amendment Act, 1942.

Amendment of section 4 of Bengal Act XVI of 1936.

2. In section 4 of Bengal Local Self-Government Associations (Recognition) Act, 1936,—

(*a*) after the words " a general meeting " the words " or a meeting of an executive committee " shall be inserted, and

(*b*) for the words " the meeting " the words " such a meeting " shall be substituted,

and to the said section the following proviso shall be added, namely :—

" Provided that travelling expenses shall not be paid to a member of a local authority for attending in one year more than three meetings of an executive committee referred to in this section."

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the Bengal Local Self-Government Associations (Recognition) Act, 1936, a member of a local authority, which contributes to the funds of an association recognized under the Act, may be paid, out of the respective local fund, travelling allowance for attending a general meeting of the association as a representative of that local body. He cannot, however, be allowed the travelling expenses for attending any other meeting of the association.

If such an association is to function properly the members of its Executive Committee have to meet from time to time. In order to facilitate the holding of such meetings it is proposed to amend the Act so as to empower the local authorities concerned to pay the travelling expenses of their representatives on such committees, from their own funds for attending not more than three meetings of the Executive Committee of an Association in any one year.

(*Note.*—On average of the five years ending 1939-40, the area under summer rice in Bengal has represented some 0·5 per cent. of the total area under rice in India.)

Character of the season.—Field operations and sowings commenced under favourable weather conditions. At advanced stage of the growth, however, the crops in certain areas were adversely affected by drought. Some damage is also reported to have been caused by insect-pests.

Acreage.—The normal area under the different *rabi* crops dealt with in this forecast is estimated at 3,751,400 acres. The area actually sown this year is reported to be 3,588,900 acres as against 3,579,500 acres (revised) last year. Of this, the area under summer rice is reported to be 443,600 acres as against 437,400 acres last year, and that under tobacco is 321,500 acres as against 321,800 acres last year.

Outturn.—According to the District Officers' estimates, the average outturn of the different *rabi* crops for the province, as a whole, works out at 82 per cent. of the normal as against 75 per cent. last year, while the outturns for the more important *rabi* districts are as follows:—

Mymensingh 100, Dacca 95, Rangpur 79, Murshidabad 84, Faridpur 76, Pabna 69, Noakhali 70, Rajshahi 67, Bakarganj 92, Tippera 79, Nadia 74, Jalpaiguri 89, Malda 79, and Bogra 80 of the normal.

Summer rice and tobacco crops.—The outturn of summer (*boro*) rice for the province as a whole according to the District Officers' estimates is 93 per cent. of the normal as against 88 per cent. last year. The gross yield of the crop for the province on a basis of the normal yield of 14½ maunds of clean rice per acre is estimated at 217,200 tons this year as against 202,700 tons last year.

The outturn of tobacco crop is estimated at 82 per cent. of the normal as against 77 per cent. last year. Taking 986 lbs. as the normal yield of the crop per acre, the gross yield of the crop for the province this year is estimated at 116,000 tons this year as against 108,300 tons last year.
